Father's Day is just around the corner, and it's time to show your dad how much you care for him. This year, express your love and appreciation by gifting smart devices that make his life easier and add an element of fun! Here are some fantastic options from Amazon that will surely bring a smile to his face.

Echo Pop Smart speaker with Alexa and Bluetooth: *Make your dad's life livelier with the Echo Pop, the perfect smart speaker to brighten his day. Whether it is his favourite melodies, or getting the latest cricket scores, Alexa can help him through simple voice commands in English, Hindi, or Hinglish. Echo Pop delivers exceptional sound quality, balanced bass, and crisp vocals, ensuring that your Dad can enjoy his favourite classic hits with ease, by just saying, "Alexa, play Kishore Kumar song" or "Alexa, ". Plus, Alexa can also be used to control smart home devices, check the weather, and much more. Just say, "Alexa, turn on the geyser" or "Alexa, what is the temperature right now?". Currently available on Amazon.in for INR 3,999.*

Echo Dot (5th Gen) Combo with Wipro Simple Setup 9W LED Smart Color Bulb: *With this combo, your dad's life is sure to become easier - Alexa can help him easily control the compatible Wipro Simple Set Up Smart Color Bulb which is simple to set up and easy to use through simple voice commands. Echo Dot (5th Gen) also helps maintain a comfortable temperature in the room through its temperature sensor. Here's a tip: if your dad has a habit of forgetting where he left his phone, pairing his phone with Alexa through the Alexa app is an effective solution. So the next time he is unable to find his phone, all he has to do is say "Alexa, locate my phone" to his Echo smart speaker and Alexa will help him find it. Currently available on Amazon.in for INR 5,799.*

Echo Show 8 (2nd Gen): *Gift your dad the Echo Show 8 to provide him with a companion throughout the day. Whether he's catching up with loved ones via video calls, or streaming videos, Echo Show 8 with Alexa is just the partner he needs with its 13 MP camera, 8" HD screen, and stereo sound. He can start his morning with a customised Alexa routine that plays his news briefing and turns on compatible appliances like geysers, followed by playing his favourite devotional songs - all through a single voice command. Additionally, he can watch security video streams on the Echo Show 8 by linking it with compatible cameras and simply saying "Alexa, show me the front door." During the upcoming cricket season, Alexa can also help your dad ask for the latest scores, player stats, and trivia, making him the go-to guy for cricket updates among his*

friends. Currently available on Amazon.in for INR 13,999.

Fire TV Stick (3rd Gen): During the cricket season, nothing can beat watching the year's biggest matches on the big screen and experiencing the stadium-like thrill in one's living room. Amazon's Fire TV Stick transforms any TV into the perfect partner for endless entertainment with support for fast streaming in full HD picture quality and Dolby Atmos audio. With the Alexa Voice Remote, your dad can effortlessly search for content, control playback, and even check the latest sports scores through simple voice commands. Access to 12,000+ apps via the Amazon Appstore ensures your dad always has options with more than a million movies and TV show episodes, and free/ad-supported content on miniTV available to stream. Currently available on Amazon.in for INR 3,199.

This Father's Day, show your dad how much he means to you by enhancing his daily life with these smart devices from Amazon. From cracking dad jokes on demand to providing the best streaming experience for his favourite content, Echo smart speakers with Alexa and Fire TV Stick have got you covered.
