

This wedding season, gift MMTC -PAMP's 24K, 999.9 purest gold rose pendant

Adfactors PR | 18/11/2022 09:05 PM

With the wedding season approaching, the biggest question that haunts people is the choice of the perfect wedding gift. MMTC -PAMP, India's only LBMA-accredited gold and silver refinery has the perfect offering: it's Gold Rose pendant. A symbol of love and romance, the pendant features a Rose with 108 large and 1,008 small rose petals and is now available on the official website of MMTC -PAMP. The rose design is available in 24K 999.9 purest 2gm gold in an oval-shaped pendant. Aimed to embrace the rich culture and significance of the Rose in not only Hinduism but also Christianity and Islamism, the specially curated Rose pendant is a symbol of love and affection in the world. It could be a perfect gift to yourself and or your loved ones.

Speaking on the launch, Vikas Singh, MD & CEO, of MMTC -PAMP said, *"At MMTC -PAMP, we strive to offer the best to the consumer therefore we are pleased to bring another product to the gold collection. The 24k (999.9) 2gm Gold rose pendant has been crafted, keeping in mind the demand and using advanced Swiss technology. We plan to release a variety of coins and pendants in the future for our loyal customers in order to increase their customer experience."*

India has always been rich in culture and wealth and with the addition of gold-minted coins and pendants, MMTC -PAMP continues to bring the essence of gifting the 999.9 gold. Established in 2008, MMTC -PAMP has built India's only fully integrated ecosystem for Gold --- Digital Gold, Bullion (Gold & Silver), Minted Coins (Gold & Silver), and Recycling old gold. MMTC -PAMP is already India's leader in digital gold and has a strong customer base pan India. As the brand makes further forays in the region, it is looking to offer the highest purity and finest Swiss craftsmanship available in the world to customers. Each MMTC -PAMP product carries a unique number and comes packaged in an Assayer certified to ensure product authenticity. MMTC -PAMP's products offer positive weight tolerance, which guarantees that every coin or bar you buy, weighs more than the listed weight, ensuring customers get the highest value for their investment.

About MMTC PAMP: *A joint venture between Switzerland-based bullion brand, PAMP SA, and MMTC Ltd, a Government of India Undertaking, MMTC -PAMP seamlessly marries Swiss excellence with Indian insights. MMTC -PAMP India Pvt. Ltd. is internationally recognized as an*

industry leader in bringing global standards of excellence to the Indian precious metals industry. We have received several awards since our inception from local and international industry bodies for the transparency and sustainability that we rigorously uphold in our sourcing, refining, and supply of precious metals in the Indian market. MMTC -PAMP is the only LBMA -accredited Gold & Silver refinery in India and is accepted across global commodity exchanges and central banks.
