

## Winners of Business Mint Nationwide Awards for Under 30 Inspiring & Rising Entrepreneurs - 2023

Business Standard | 09/01/2023 09:48 PM

An entrepreneur is someone who develops a company from scratch. They are in charge of the business and are responsible for its failure. The definition of an entrepreneur is flexible. Business Mint is delivering the 2023 Nationwide Awards for Under 30 Inspiring & Rising Entrepreneurs as a tribute.

A list of businesses, agencies, non-profits and governmental bodies led by business leaders and with successful groups and missions was produced by Business Mint. From a range of sectors, including real estate, education, healthcare, marketing, software, aviation, and journalism, more than 2000+ nominations were submitted.
